TEAMSTERS LOCAL UNION No. 142
TRAINING AND APPRENTICESHIP TRUST FUND

CAREER OPPORTUNITY: ASSISTANT CERTIFIED TRAINER

The Teamsters Local Union No.142 Training and Apprenticeship Trust Fund is seeking a qualified candidate to fill the position of Assistant Certified Trainer/Training Coordinator. This role is an opportunity designed for an individual to shadow, learn from, and ultimately succeed our current Certified Trainer/Training Coordinator.

Career & Succession Track

- The successful candidate will report directly to, work alongside, and learn from the current Certified Trainer/Training Coordinator.
- The chosen individual will assume the full role of Certified Trainer/Training Coordinator, reporting to the Fund Manager in May 2027.

Preferred Qualifications & Guidelines

- **Open Consideration:** All qualified candidates possessing strong instructional capabilities and background will be considered.
- **Union Preference:** Preference will be given to Teamsters members who are in good standing status with their Local Union and the International Union

HOW TO APPLY

Please email your current resume and credentials to:

applications@teamsters142.org

Submission Deadline: October 6, 2026

The Teamsters Local 142 Training and Apprenticeship Trust Fund ("Fund") is hiring an Assistant Certified Trainer. The chosen candidate will report directly to, and learn from, the current Certified Trainer/Training Coordinator, and will assume the role of Certified Trainer/Training Coordinator in May 2027. All qualified candidates will be considered; however, preference will be given to Teamsters in good status with their Local and the International.

Required Qualifications:

- Valid CDL with the following endorsements, all of which must be held for a minimum of two years prior to May 2027:
    - Class (A)
    - Passenger (P)
    - Tank Vehicle (N)
    - Double/Triple Trailers (T)
    - Hazardous Materials (H)
- No automatic transmission restriction on the CDL
- Current DOT medical card
- Ability to pass and maintain compliance with employer drug and alcohol testing requirements
- No current CDL suspension, revocation, cancellation, or federal disqualification under 49 CFR 383.51
- Must possess and maintain a safe, insurable, and compliant driving record, including compliance with all applicable DOT, BMV, and FMCSA safety standards
- Completion of the following prior to May 2027:
    - 51 semester credit hours at a postsecondary educational institution, and nine hours of driver education training that included theoretical and behind-the-wheel training OR
    - Completion of a BMV-approved instructor training program and 20 hours of behind-the-wheel training instruction.

At least one of the following is HIGHLY DESIRED:

- OSHA #510 completion, and five years of safety and health work experience in the construction industry
- OSHA #510 completion, and three years of construction safety experience, and a degree in occupational safety and health
- OSHA #510 completion, and three years of construction safety experience, and a Certified Safety Professional (CSP) designation
- OSHA #510 completion, and three years of construction safety experience, and a Certified Industrial Hygienist (CIH) designation

Other Qualifications:

- Strong knowledge of DOT/FMCSA regulations, pre-trip inspection standards, safe driving practices, and driver compliance responsibilities
- Ability to maintain a safe, professional, and insurable driving record
- Ability to obtain and maintain a TWIC card
- Experience instructing entry-level CDL students in classroom (theory) and behind-the-wheel settings
- Experience transporting bulk liquids, hazardous materials, and/or cargo tank loads
- Strong written and verbal communication skills
- Excellent organizational abilities
- Ability to fairly and accurately evaluate entry-level drivers

Job duties of the Certified Trainer/Training Coordinator include, but are not limited to:

- Teaching Construction Driver apprentices in both classroom (theory) and behind-the-wheel instruction
- Performing apprentice evaluations
- Observing apprentices at worksites
- Coordinating with Business Agents in rotating apprentices among employers to ensure that all apprentices receive on-the-job training in all facets of the Construction Driver trade
- Creating, updating, and implementing curriculum requirements for all non-on-the-job training
- Attending all quarterly Board of Trustees meetings
- Promoting the Apprenticeship Program through trade shows, career days, and community events
- Other duties as assigned by the Board of Trustees

Additional details:

- Normal work hours are 7:00 a.m. to 3:30 p.m., Monday through Friday.
- The successful candidate will report directly to, work alongside, and learn from the current Certified Trainer/Training Coordinator
- The chosen individual will assume the full role of Certified Trainer/Training Coordinator, reporting to the Fund Manager, in May 2027
- Salary commensurate with experience
- Benefit package equal to that of a journey worker Construction Driver
